**WHO WE**

ADRIA BANDIERE was founded in 1973 by Domenico De Ascentiis who managed to realize his dream: to create flags that in their different types, features and colors, are the vehicle of many different meanings, as well as evocative of places near, far or imaginary.

**OUR PRODUCTS**

Production of national, regional or customized flags for outdoor use made of STAMINA POLYESTER or NAUTICAL POLYESTER fabric, packed with double perimeter hem, reinforcement sheath and pole line. Available in various sizes, also on request.

**WIND FLAGS**

Made of nautical polyester fabric with digital print through color (specular on the back), raw cut, not hemmed and finished with side lycra loop for insertion flexible rod. (only flag cloth, excluding accessories).
